Big Time Tuesday Night At Theatre

Five-year-old Boy Is Victim Of Hit-Run Driver

Five-year-old George Bergman, son of Mr. and Mrs. George Bergman, 331 Woodrow street, received minor cuts and bruises shortly after 12 noon last Sunday when he was allegedly struck by a hit-and-run driver while playing in the vicinity of his home.

The lad, according to Daly City police, was attempting to cross in front of 351 Woodrow street when he was struck by a green sedan which was traveling north. The victim's sister, Bertha, 9, with whom he was playing, ran into her home and notified Mrs. Bergman who in turn called Daly City police. George was taken to Junipero Serra hospital by Patrolman Dean Wood where he received first aid treatment and then returned to his home.

Plans Completed For Spring Concert By Daly City Band

Plans have been virtually completed for the spring festival concert which will be given by the Daly City Band at Jefferson union high school, Sunday at 2 p. m., June 1, in celebration of their twentieth anniversary.

The program which will be announced at a later date will be featured by a rendition of the band's prize winning parade march. The concert will be preceded by an address given by Mayor Melford Battye.

Firemen Look For Big Turnout At Annual Ball

A large turnout is expected to attend the annual ball sponsored by the Widows' and Orphans' Association of the Daly City Fire Department which is to be held at the Jefferson union high school, Saturday evening, May 24. Tickets for the affair are now on sale by all members of the fire department.

At the present time the firemen who are now giving their services to the community are not provided with any death benefit or any insurance by Daly City. The city, however, does provide a policy for injury or accident at a fire.

School Trustee Asks Voters To Support Small Increase In Tax Rate For Benefit Of All Daly City Children

Education is the foundation of American Society. Without it, this nation would flounder into obscurity. This has been indicated recently by some countries which, through a few power-mad individuals, tried to conquer the world. Lacking the fundamental knowledge of economics and the ignorance of the people, mainly because of the lack of education, they were defeated.

Let's not have this happen here. Give to our children the best that can be offered educationally. We want them to be of sound mind and always alert to problems concerning society.

Our educational system is being hampered because of lack of qualified teachers. During the war the teaching profession has experienced a migration of personnel entering other fields because of salary differential. Statistics show that in 1940 this profession embraced 990,000 teachers; since then, this number has dwindled to 550,000. Of this amount, only 60 per cent are qualified. Something definitely must take place to rectify this present situation.

Let's go on record this Friday, May 16, 1947, by casting a "Yes" vote on the High School tax rate. The amount asked for will do the job required to carry on this much-needed program. Of this amount, approximately 11 per cent will be used towards teacher's salaries, the remaining amount for two shop buildings and general maintenance of the present plant. Cost of material and maintenance has increased some 70 per cent, yet our budget still reads about the same as in 1941.

To complete the job will cost the tax payers of Daly City from 1½ cents to 2½ cents per day. This is a small amount when we consider the value of our children.

NAVAL RESERVE WEEK MAY 18 TO 25

Mayor Melford Battye of Daly City, honorary chairman for Naval Reserve week, May 18 to May 25, looks over an operational chart with Assistant Procurement Officer Lieutenant Commander Bruce Maxwell, at 12th Naval District Headquarters, San Francisco.

NAVAL RESERVE WEEK

Americans have always been credited with a smart investment sense. We carry more life and fire insurance as a nation, and per capita, than any other people. We protect our savings accounts, keep our gilt-edged securities in safety deposit boxes, and are generally pretty sharp about guarding our business assets.

It made sense, in line with that way of thinking, when we put our surplus Navy ships in the plastic-protected "zipper fleets," where neither rust nor decay can touch them.

There was only one weakness in this arrangement. A ship is only as good as the men who sail it. You can't put brains in mothballs. It is impossible to seal off and leave dormant the "know-how" of millions of trained technicians and specialists—"know-how" which cost billions to obtain.

"Operation Naval Reserve" is the logical answer to the question of how we can conserve, develop and utilize that "know-how." It has for its goal the recruitment and training of a strong civilian Naval Reserve, including both veterans and younger men. These Reservists will have access to training and education that will benefit them in their civilian jobs. Membership in the Reserve will make them better citizens.

And, finally, the know-how they acquire and improve will be the best safeguard of America's investment in peace.

FEAR MAN WAS SWEEPED TO SEA

Despite a rigid investigation, San Mateo deputy sheriffs and Coast Guardsmen were early this week without a possible clue as to the fate of Robert Williamson of San Francisco who is believed to have fallen from Devil's Slide on the Ocean Shore Highway while on a surf fishing trip last Saturday. It is believed that the man might have been swept out to sea after falling into the water.

Legion Auxiliary Remind Public Of Dinner And Dance

Members of the Daly City Unit No. 410, American Legion auxiliary, wish to remind the public of their spaghetti dinner and dance to be held at the Legion hall, 474 San Diego avenue, on Saturday evening, May 17 at 7 o'clock.

Little Jayne Monson Bitten By Pet Dog

Jayne, the 21-month-old daughter of Mr. and Mrs. Ray Monson, 52 Cavour street, received slight lacerations of the face early Tuesday morning when she was bitten by her pet Fox terrier. The little girl was taken to the Junipero

Armed Bandit Ties And Gags Local Business Man And Wife: Escapes With \$1850 In Cash, \$1600 Personal Property

When Arthur Christiana, owner of the Club Casino, Daly City night club, arrived home with his wife early Monday morning at their San Francisco home, 100 Denslowe drive, they were confronted in the living room by a burglar who, after binding and gagging them, escaped with \$1850 in cash and personal property valued at \$1600.

According to San Francisco and Daly City police, Christiana and his wife Pauline arrived at their home shortly after 3 a. m. The burglar, described as being sandy-haired and with having a Southern accent was standing in the living room. At the point of a gun, the burglar forced the Christianas to lie on the floor, bound and gagged them and threatened them with

LIONS CLUB SHOW FOR SEA SCOUT BENEFIT TUESDAY, MAY 20TH

Daly City Leads San Mateo County Building Permits

While San Francisco reports a 40 per cent decline in the number of building permits issued during the first four months of the current year, and while virtually every city in San Mateo county reported a drop of between 35 to 40 per cent, Daly City has shown a decided gain during the same period with 10 building permits issued.

This was the statement made Tuesday morning by A. J. Bodien, superintendent of public works. He pointed out that the building permits issued here included those for dwellings, commercial and alterations with a total valuation set at \$491,782. He also reported that Daly City received 93 applications for water meter installations.

Colma Boys Club Get New Baseball Uniforms Today

Announcement was made this week of the formation of a summer baseball club composed of members of the Jefferson Union High School baseball team which will be known as the Colma Boys Club.

The club is being sponsored by Joe Sarto owner of the Villa Sanitorium. Sarto announced that he has purchased uniforms for fifteen boys which will be delivered to them today. He also announced that he is working out plans to establish a permanent Daly City-Colma boys club.

The first game of the newly organized club will be played on the Jefferson Union High school grounds at 1:30 p. m. Sunday when they will meet the Central Creamery Company nine.

Members of the newly formed club include:

Jack Ghio, catcher; Leland Michelletti, second base; Richard Morgan, catcher and infielder; Donald Mossi, pitcher and outfielder (he has also been named as team captain); Rico Ottonello, pitcher and outfielder; Ray Settrini, shortstop; James Silacci, first base; Henry Morgan, pitcher and outfielder; John Olcese, third base; Howard MacDonald, outfield; Don Gforer, pitcher, and Don Lunghi, infield.

Serra Hospital where she received first aid and was then returned to her home.

Great Entertainment Is In Store For All

Well, Sea Scouts, it looks like the dreams you've had of getting that new boat will become a reality; as far as the writer is concerned, it looks like the deal is very much "in the bag"

The consensus of opinion is that Daly City and Colma residents won't let you down. Ticket sales thus far indicate that the stage and screen extravaganza under the joint sponsorship of the Daly City-Colma Lions Club which is to be presented at the Daly City theatre next week will be a bang-up success.

And what a show is in store for those who attend the performance!

In the first place, the stage show will be featured by the inimitable Ray Toney who will act as Master of Ceremonies. Perhaps you've seen Toney in action before. If you haven't, then you've missed something. He's got "plenty on the old ball" and he will be right up there on the stage strutting his stuff as he introduces each act performed by members of the Jefferson Union high school.

The cast will include six-year-old Puz Furr, drummer soloist; three warblers, Betty McKenzie, Lois Kern, and Billy Denton, and there will be some mighty fine tap dancing by Jeanette Cullbertson and Jackie Courdierer. Acrobatics performed by the Smithy sisters should be a wow, to say nothing about some hot accordion music which will be rendered by Bob Lynch. Oh, yes,—Ray Toney does a comic dancing specialty with Janice Kirschner.

In helping to make the Lion's show a success, the Jefferson Union high school dramatic class, under the direction of Miss Schmidt, offered their services and will present a one-act play. Students who will appear in the play include Richard Felton, Pat Colby, Betty Jennings, Betty Whitley, Odeal Contrille, and Florence Hannah.

Plenty of moonshines which will be added to enliven the show will be a short skit presented by members of the Daly City-Colma Lions Club. The skit, "The Donkey Serenade" will feature Joe Lewkowit, who will take the part of the donkey and who will also give an exhibition of his prowess on the saxophone and clarinet.

Ed Devincenzi will assume the role of a female impersonator. The Lions skit will be under the direction of Gil O'Shaughnessy, Standard Oil representative in San Mateo county.

Ira Neville who is in charge of the ticket sales for the show, in a statement made today said:

"Ticket sales up to the present date indicate that the show will go 'over the top.' We want to play to a 'full house' and the entire success of the venture depends solely upon the co-operation of the public which thus far has demonstrated a gratifying esprit de corps."

Art Kloth, chairman of the entertainment committee, paid high tribute to the "untiring efforts" of Stanford Hannah, superintendent of the Jefferson Union high school, "who has done everything possible in cooperating with the Lions in making the show a success."

The show will be formally opened by Mayor Melford Battye and Ed Byrne, president of the Daly City-Colma Lions Club. Mayor Battye is expected to make a short address.

Kloth said that in behalf of the Lions he wished to express appreciation to the many Daly City and Colma merchants who have donated prizes which will be awarded by Carl Haas who will award them from the stage of the theatre.

Tickets for the show may be purchased at a booth operated by the Sea Scouts in front of McGraw Brothers Pharmacy and at the ticket office of the theatre.

History Of The American Legion

By John Derungs

One of the secrets of the American Legion in annually securing its legislative and other objectives lies in the effectiveness of its Auxiliary in mobilizing millions of the nation's women behind the programs of the world's largest veteran's organization.

"The American Legion Auxiliary now has 800,320 members in 10,751 units and is rolling toward its first million mark this year. It is composed of the mothers, wives, daughters and sisters of Legionnaires. These women are very effectively organized. Their telephone squads in local activities get amazing results. They have only one program. That is to help The American Legion reach its major objectives."

The Auxiliary membership includes thousands of the most prominent women in the United States, Post Historian John J. Derungs points out.

Mrs. Harry S. Truman, wife of the President, has been a member for many years, and so have been the wives of leaders in all walks of life. These women bring a high intelligence and never-failing devotion to the task of selling The American Legion's national defense, Americanism, foreign relations and other programs.

They also provide feminine leadership and working forces for the Legion's great rehabilitation and child welfare programs. They serve as official hospital visitors in all veteran's institutions. They supplement the Legion's youth training programs with their own Girls State activities. They sponsor study of the United Nations organization. They sell annually 25,000,000 red paper memorial poppies on the streets of American communities. These poppies provide an income for the hospitalized veterans who make them and funds for post and unit welfare projects.

Member Of Local V.F.W. Post Heads County Council

Alex Albertus, Old Glory Post, Veterans of Foreign Wars, Daly City, was elected commander of the San Mateo-Santa Clara counties council of the Veterans of Foreign Wars for 1947-48 at a regular election and installation of officers at the Veteran's building here Saturday night.

The county council, the only legislative organization of the VFW between the posts and state depart-

REQUEST 7-MAN CHARTER STUDY COMMITTEE

As a climax of a two-hour meeting held Monday morning at the courthouse in Redwood City, the board of supervisors gave official recognition to the grand jury's recommendation requesting the appointment of a seven man charter study committee. Such a move, it was rumored, might possibly culminate in an amendment of the county charter.

Simultaneously, the board also requested that the grand jury recommend a neutral method of selecting members of such a committee so that the group would be unbiased and impartial in its studies and recommendations.

In commenting on the supervisors' action, Frederick Peterson, county executive said:

"The supervisors naturally would like to have it (Peterson's position) appointive. Then there would be no check on them. It's up to the people. This is the third time it's come up. They tried to do away with me twice previously, but my vote increased."

Supervisor Chairman Alvin S. Hatch who called the meeting to order declared that the session was called in order to recognize the grand jury's recommendations and the recommendations of the recently completed Public Administration Service survey of the county health department, which deplored the county's present "two-headed government."

Investigation, he said, disclosed that members of the last grand jury were representative citizens from all sections of the county "who did not know each other" until called by Judge Edmund Scott for jury service.

ment, is composed of 22 VFW posts in San Mateo and Santa Clara counties, comprising a total of 15,000 members.

Other officers elected were: senior vice-commander, Larry Watts, San Andreas Post, Half Moon Bay; junior vice-commander, James Peabody, Major Zane Post, San Jose; chaplain, Robert D. Foster, Lt. Brunton Post, Mountain View; quartermaster, James Petrucci, J. L. Wilson Post, Redwood City; adjutant, Joseph Foucks, J. L. Wilson Post, Redwood City; trustee, Dean Rimple, Mission Santa Clara Post, Santa Clara.

Officers of the ladies' auxiliary of the county council were also installed at the meeting.

Mother-Daughter Fashion Show And Tea Sponsored By Jefferson High P.T.A. Was One Of Finest Events For Spring

Jefferson Union High school was the scene of a lovely fashion show and mother-daughter tea on Thursday afternoon, May 8. The affair, sponsored by the Parent-Teachers association, was under the direction of Miss Elizabeth Jones, sewing instructor and Mrs. Nona Cantwell, home economics instructor.

The fashion show was held in the gymnasium. The elevated platform upon which the girls modeled was beautifully festooned by flowers, the work of the gardener, John Parodi. The girls modeled clothing they had made, demonstrating fine workmanship and style in their garments. Music for the fashion show was furnished by Richard Bradford, pianist from the music department. At the conclusion of the fashion show each mother was presented with a corsage made by members of the California Scholarship Federation under supervision of Miss Hazel Henry.

Tea was served in the auditorium from several beautifully appointed tea tables, with silver service and attractive floral arrangements. Girls from the home economics department acted as hostesses for the very large representation of mothers and daughters. It was a very lovely affair and greatly enjoyed by all.

Following the tea, the Jefferson Union High School PTA held its regular meeting and installation of officers in the Little Theatre. Mrs. Stella Jensen acted as installing officer and in a lovely floral ceremony, installed the following officers for the ensuing year: Mrs. Eve Hobbs, president; Mrs. Mildred McGeein, vice president; Stanford Hannah, honorary vice president; Mrs. Coral Freeland, recording secretary; Mrs. Anne Ingersoll, corresponding secretary; Mrs. Tina Hollingsworth, treasurer; Mrs. Florence Hopman, financial secretary; Mrs. Marjorie Reandeau, auditor; Mrs. Ida Hanley, parliamentarian; Mrs. Marjorie Calvin, historian.

The outgoing president Mrs. Virginia Davidson presented Mrs. Hobbs with the president's pin, which she is to wear during her year as president. The organization presented Mrs. Davidson with a hand bag in appreciation of her faithful service as president during the past year.

The next executive board meeting will be held at the home of

Crocker P.T.A. Install Officers At Tuesday Meet

The Crocker P. T. A. held their teachers' luncheon and installation of officers Tuesday at the Crocker school with Mrs. Eve Hobbs presiding. She introduced each teacher and the various guests who attended the luncheon. The guests included:

Mr. and Mrs. Richard Crane, Mr. and Mrs. Stanford Hannah, Mrs. Mae Eder of Burlingame, counselor for Crocker P.T.A.; Mrs. Faun Tusko of Burlingame, Mrs. Stella Jensen, Miss Ivy Alexander of Antioch, Mrs. Ethel Cosgrove, president of Columbus P. T. A., San Francisco, Mrs. Frances Landi of Colma, and Mrs. Frances Neinstil.

Mr. Crane was made the recipient of a cake presented by Mrs. Hobbs in gratitude for his cooperation during the latter's term in office.

The meeting was called to order at 1:30 p. m., at which time all business items were discussed. Mrs. Hobbs then turned the meeting over to Mrs. Stella Jensen, installation officer who installed the following officers:

Mrs. Frances Haussler, president; Miss Marjory Tobias, honorary vice-president; Mrs. Florence Schmidt, vice-president; Mrs. Ann Ingersoll, financial secretary; Miss Louise Eliason, treasurer; Mrs. Carol Freeland, recording secretary; Mrs. Edna Mullen, corresponding secretary; Mrs. Ellen Wallace, auditor; Mrs. Marge Calvin, historian, and Mrs. Eve Hobbs, parliamentarian.

Magazine "Racket" Suspects Sought By Hillsborough Police

Hillsborough police are conducting a systematic search for two young men and a girl said to be working the old magazine "racket" as alleged suspects in connection with two daylight Hillsborough robberies.

More than \$4000 in jewelry and clothing was taken last Thursday from the home of Oscar D. Short, 1216 Kenilworth road, and an undetermined amount of loot was taken from the residence of Harry Durand, 1600 Marlborough road.

In a report made to Chief of Police Walter J. Wisnom by several Hillsborough residents, a light blue convertible coupe had been seen parked in the neighborhood for several days. One resident reported that two men, accompanied by a girl, had appeared at her home soliciting subscriptions to magazines. Police obtained a good description of the men.

mony, a gift was presented the out-going president, and an orchid corsage was presented to the new president, Mrs. Frances Haussler. Two life memberships were presented to Mrs. Ann Ingersoll, and to Mrs. Florence Schmidt.

NEW CIVILIAN NAVAL RESERVE HAS MUCH TO OFFER YOUNG MEN

The people of America promised peace to the world. The history of promises made only with words is a bitter one, marked with bloody dates when promises were broken. For us now to keep our pledge we must have a force for peace. The new, civilian Naval Reserve will become such a force when its ranks are filled with men who, by joining, show that they will actively insure that peace is made and kept.

In addition to becoming a member of an organization which commands respect and admiration throughout the country, members of the Naval Reserve are offered many real advantages. In large communities there are, or are being planned, Naval Reserve Training Centers. Many of these centers are equipped with the devices of a modern Navy—radar, sonar, radio and electronics. There are carpenter and machine shops, models of Naval equipment, and operating mock-ups of intricate machinery which permit members to learn by practical work. In addition, many of these centers can be used for recreation. There may be libraries, lounges, space for dances, and for athletics, pistol and rifle ranges.

Ships and submarines are assigned to Naval Reserve Centers so that members may learn how the Navy does it by actually going aboard. These ships are also used for short cruises in local waters for experience in navigation, seamanship, and many phases of actual ship-board operations.

For the Naval Air Reserves first line planes are available at Naval Air Reserve Training Stations so that members may retain and improve their skill as pilots, air crewmen, or in maintenance and upkeep of aircraft.

The Naval Reserve is a civic as well as a military organization. It offers to its members instruction, either in classrooms or in home study courses supplied free, in the Naval aspects of these subjects:

Accounting, air conditioning, aviation specialties, cabinet and wood-working, clerical and personnel, communications, construction, cooking, electricity, electronics, engineering, hospital technician, laboratory work, lathework, machinist, merchandising, metalsmith, meteorology, motor mechanics, navigation, pharmacy, photography, plumbing and steamfitting, radio, welding.

Time in the Naval Reserve is credited with a 5% increase in base pay for every three years. Ex-Navy men are enrolled at the rate they held when discharged, and all members may be advanced in rate. Members of the Naval Reserve continue to receive all benefits of the G.I. Bill of Rights. A bill now before Congress proposes that one hundred and sixty Naval Reservists a year to be offered a Presidential appointment to the U. S. Naval Academy.

Those who may now enroll in the Naval Reserve are:

A. Navy, Coast Guard and Marine Corps veterans of World War II of any age who serve for more

than six months.

B. Veterans of any other U. S. military service and non-veterans between the ages of 17-39 inclusive.

For those who qualify and desire it, there are periodic two-week cruises, with pay, either: in the Navy's best ships; for Naval Air Reserves on carriers or at Naval Air Stations; for specialists at Navy Shore Stations.

A member of the Naval Reserve becomes a respected man in his community, and, since the Reserve is a nationwide organization, a member can find friends and shipmates almost anywhere he goes. The winged lapel pin of the Naval Reservist is recognized everywhere. Thus, as a member keeps up with the technical developments in his field, broadens his education, improves his skill or learns a trade, he is doing it in company with friends who are the leaders in his community. He shares with them not only the satisfaction of knowing that he is taking an active part to preserve peace, but he shares also the pleasure of comradeship.

The new, Civilian Naval Reserve is not a weapon for future war—it is a power for peace, a restraining hand on warmongers anywhere. But Americans should not forget the warning of George Washington:

"It is better to have the guns and not need them, than to need the guns and not have them."

Recruiting booths will be set up in the lobby of the local Post Office during Naval Reserve Week—May 18 to May 25.

Mayor Battye Named Chairman For Navy Reserve

Mayor Melford Battye of Daly City has been appointed honorary chairman of the local committee by Rear Admiral Donald B. Beary, USN, commandant 12th Naval District during "Operations Navy Reserve" week of May 18 to 25. Naval Reserve week will be proclaimed officially by President Truman.

This program has as its objective the maintaining of a force as an instrument for world peace and better citizenship. Mayor Battye has appointed Hugh H. Smith jr. commander of the A.V.F.W. as active chairman of the citizens' committee. His job in Daly City will be to acquaint the male population to the advantages of the New Naval Reserve. Membership is open to both veterans and non-veterans, who will have access to trades and technical skills. Members will draw pay for drills attended or for going on periodic reserve cruises aboard regular Navy ships.

Starting May 12 a recruiting booth was opened in the lobby of the Daly City Post Office. Hours are daily from 11 p. m. to 6 p. m. Saturdays until 1 p. m. On Thursdays at 7 p. m. a Navy bus leaves from Treasure Island. Men interested in the Reserve are welcome.

Advertisement for Bids

Notice is hereby given that the Bayshore Fire Commissioners, Bayshore Fire District, will receive bids for furnishing all labor, material, transportation and services for the construction of Bayshore Fire House No. 1, Bayshore, San Mateo County, California; each bid to be in accordance with plans and specifications and other Contract Documents now on file with Frank Wynkoop, Architect, 821 Market Street, San Francisco, California, where they may be examined and copies obtained upon the deposit of \$20.00 per set, which deposit will be refunded upon the return of such copies in good condition within five (5) days after the bids are opened.

The Board of Commissioners have determined that a period of not less than seven (7) days will be required for bidders to properly estimate and determine their proposal therefor. Plans and Specifications will not be issued to bidders after May 26th, 1947.

Bidders are hereby notified that pursuant to the statutes of the State of California or local law thereto applicable to Board of Commissioners, Bayshore, San Mateo County, California has ascertained the general prevailing rate of per diem rates and rates for legal holidays and overtime work in the locality in which this work is to be performed, for each craft or type of workman or mechanic needed to execute the contract which will be awarded the successful bidder.

The prevailing rates so determined are as follows:

CRAFT	HOURLY WAGE
Bricklayers (6 hour day).....	\$2.05
Carpenters	1.75
Carpet and Linoleum Layers	1.94
Cement Finishers	1.75
Electricians	1.875
Glassworkers or Glazers.....	1.65
Iron Workers	2.00
Laborers	1.25
Painters	1.75
Plumbers	1.875
Hod Carriers (6 hours).....	1.57 1/2
Roofers	1.50
Sheet Metal Workers.....	1.75
Tile Setters	1.80

No labor shall be paid a wage that is less than One Dollar and Twenty-five Cents (\$1.25) per hour. Time and one-half shall be paid for overtime and Sundays and all State Holidays in all crafts except Iron Workers and Boilermakers who shall receive double time.

The foregoing schedule of wages is based upon a working day of eight (8) hours, the contractor shall keep himself informed as to any changes in the above wage rates and shall include any increases in his bid.

It shall be mandatory upon the contractor to whom the contract is awarded, and upon any sub-contractor under him, to pay not less than the said specified rates to all laborers, workmen and mechanics employed by them in the execution of the contract.

Notice is also hereby given that all bidders shall submit with their bid a statement of their financial responsibility, equipment, technical ability and experience. Such statement will be considered with the bid in making an award.

Each bid shall be made out on a form to be obtained at the office of Frank Wynkoop, Architect; shall be accompanied by a certified or cashier's check or bid bond for fifteen per cent (15%) of the amount of the estimated maximum labor item made payable to the order of the Board of Commissioners, Bayshore Fire District, San Mateo County, California, and shall be sealed and filed with the Board of Commissioners at the Bayshore Fire District on or before June 2nd, 1947, at eight (8) o'clock P.M. and will be opened and publicly read aloud at or about eight (8) o'clock P.M. of that day in the Office of the Board of Commissioners, Bayshore Fire District.

The above mentioned check or bond shall be given as a guarantee that the bidder will enter into the Contract if awarded to him and shall be declared forfeited if the successful bidder refuses to enter into said contract after being requested so to do by the Board of Commissioners.

The Board of Commissioners reserves the right to reject any or all bids or waive any informality in a bid, or to award a contract on the basis of the proposal which serves the best interest of the Bayshore Fire District.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof.

Dated at San Francisco, California, this 23rd day of April, 1947.

(Signed) ALFRED J. TAYLOR, Chairman.

JEFF HIGH SPORTS ----

By Tom Tromborg

With old man football awakening from his slumber, and getting into shape with a short spring practice session, in preparation for the fall campaign, the writer will now attempt to evaluate the football prospects of Jeff High for 1947. I have not even seen the team suited up yet, and will not be able to until May 29. However knowing the material from last year, and having a slight recollection of what the new men of the "hundred yard battlefield" can do, I feel justified in at least making a vague try at giving you some idea on just what the purple and gold will field next year in the way of a football team.

From the fog bound institution by the sea, will come the rambling T of Jefferson, for its bid in grid power in order to cope with the other grid machines of the P.A.L. The famed T formation, greatest grid discovery since the Notre Dame shift coached by Glen South, one time star half back on the famed Stanford Rose Bowl eleven of 1940, will guide the destiny of the Jefferson Varsity.

The old lady of the P.A.L. will watch with pride from her grounds on the top of the hill, as her purple and gold colored eleven battles with the rest of the league down peninsula way.

Set to the patterns of the T formation the Indian offense will ramble around the man in motion, the quick opener, and the colorful quarterback sneak.

TEAM PROSPECTS

The ends from all appearances will be green with little actual game experience. Gene Cross last year a second stringer, will this year make a bid for a first string berth. The right end position is open, and there is talk that South will attempt to groom Louie De Salvatore for the spot. De Salvatore has had no experience in football, but has had a fine record in track. He is rated a fine possibility as an end. Other from that the end material looks none too good.

Tackle strength is another weak link in the Indian forward wall, but there is hope because of a strong turnout for the position. Bob Lazzerini one time highly rated frosh backfield prospect has signed up for the tackle slot, and being a natural ball player he could very well make a strong forward wall man. The tackle situation looks so, so, with material being heavy but sluggish.

The guard position in the line is the strongest to date, with last year's Hubrick coming back, along with Bolster another highly rated lineman from last year's second team. There is also talk of a highly rated freshman coming out who is said to be the best of all the new line material.

Centers are few, but the Jeffs have returning from last year Richard Morgan who is without doubt the finest in the P.A.L. aside from Rich however, the material drops off, and not much is yet known of the new candidates.

Halfbacks will be rather on the plentiful side this season, but that is in numbers and not experience. Guisti last year a second stringer, will in all probability handle one of the halfback slots this coming season. The other position will be open to about 14 hopefuls, and there is a strong chance that it will go to Rico Ottonello, last year a star back for the Jefferson Frosh. Halfbacks will be small and light as is usually the case in that position.

At the fullback slot will be Monte Robinson a first stringer from last year, and at the quarter will be P.A.L. Don Mossi, who is said to be the league's finest passer and punter.

Both positions will be short on reserve strength but there is a possibility that a suitable quarterback will be found in Bill Payne last year the Frosh ace at that position.

That about sums up the situation at Jefferson for the present, but at the end of spring practice it will be possible to give a more definite account of just what South has in the way of a team.

South City might surprise next season being that they lose only Bellone, and a few minor line men. Hightower all P.A.L. end will return, and if South City switches to something besides the single wing

look out.

Lincoln of San Jose will be the team to beat next season for except for the loss of Terry Johnson star back the Lions have a complete Senior team coming back.

San Jose will be weak this year, even with their "Jolting Joe Felice." Last year they did no better than fourth. This year they lose their all P.A.L. backfield and they've no line to speak of, so say the San Jose papers.

Palo Alto with Buddy Traina and company along with an all P.A.L. guard and tackle will be another of the league's top teams. They have ample reserves, and plenty of speed and deception in the backfield.

Sequoia, as is always the case, will be a first division club. They have unlimited material from which to draw and if past records mean anything, the U.S.C. of the P.A.L. will be right in there when it becomes pennant time.

San Mateo will be about mediocre not in the first division but near the top of the second. They lost their great tackle from last year, the outstanding George Cross and practically all their other first string linemen. This year however they have the fast moving Lax back in the half spot, along with some fast developing juniors.

Burlingame is over rated this year, and should be a lower division club come the end of the '47 season. They lost heavily in their backfield and line, and from what I've seen of the frosh and last year's reserves they just don't have it.

The conclusion then, is that Lincoln, Palo Alto, and Sequoia will be the top teams in the '47 P.A.L. race, with San Mateo and South City in the dark horse roles. San Jose, Jefferson and Burlingame will be out of contention for the title, but as is the case in prep football any of them could upset the favorite. Prediction: Jefferson will end the season in fifth place, de-

NOMINATE MICHELLETTI

Micheletti was nominated captain of 1947 Varsity Baseball by his fellow teammates. He is rated by many as the finest player on the Jefferson Varsity for 1947. He plays second base. The Varsity had a practice record of 8 wins, and 3 losses, and a league record of 5 wins and 3 losses for a 13 - 6 count for the season. The varsity won its greatest triumph against Washington of Centerville 13 to 5, and suffered its worst season defeat in the hands of San Jose 13 to 2.

Roy Ottobonni and company proved too much for Jim Allison and his gym class five, as they ramblod to a 12 to 7 victory in the championship game for touch football in the A division.

The Juniors took the seniors in an inter class baseball game to the tune of 10 to 1. Ottonello was the winning pitcher. The frosh edged out the Freshmen 2 to 1.

In inter class track the Juniors won again this time edging the Seniors 110 to 92. The Seniors however won the Varsity division but lost out in the lightweights. The Sophomores were third and the Freshmen last.

In the P.A.L. swimming trials, Garcia qualified for the Varsity in the 50 free style. For the thirties

Colma P.T.A. Met Tuesday

The first meeting of the new term of the Colma P.T.A. was held Tuesday, May 6, at the Community Center and was called to order by Mrs. Frances Landi.

Mrs. Alice Simon was chosen as parliamentarian and Mrs. Irene Chessman was named hospitality chairman. The new budget for the term was voted and decided on.

A feature of the meeting was Mrs. Cannon's third and fourth grades entertainment. Janice Toole and Ronald Casentini played the children. The Fairy Queen was Eileen De Bernardi.

Detachable Jewel

Part of the chain of the Order of St. Andrew, one of the Russian crown jewels, contains 20 detachable pieces of different design, each of which may be used as a separate ornament.

Davis qualified in the 50 and 100 free style. Cyr qualified for the twenties in the 50 free style, and Arteseros in the 100 free style. In the ten division Nicoline qualified in the 50 free style, Sheriff in the 50 breast, and Roath in the 50 backstroke.

Verducci's Frosh last Friday bested South City in a league game to the score of 5 to 3. The Frosh got 6 hits and limited the blue and white to 5 hits. Morgan led the attack with two doubles to take the batting honors. The Frosh have a practice record of 5 wins and 1 loss, and a league count of 2 wins and 3 losses.

Lincoln high of San Jose won the P.A.L. varsity finals with a total of 48 points, with San Mateo second with 42. San Mateo won the four way meet however, because of their stronger lightweight divisions. George Cross set a new P.A.L. shot put record of 55 ft. 5 3/4 in. Sequoia and San Jose will play each other for the P.A.L. baseball title, after they both won first round games. San Jose defeated San Mateo twice—4-3, 5-2. Sequoia bested Lincoln twice—5-4, 6-5.

Ordinance No. 267

AN ORDINANCE AMENDING ORDINANCE NO. 232 OF THE CITY OF DALY CITY

THE CITY COUNCIL OF THE CITY OF DALY CITY DO ORDAIN AS FOLLOWS:

Section 1. Section 1 of Ordinance No. 232 is hereby amended by adding thereto, and subject to the provisions of said Section 1, the following zones, to-wit:

Both sides of Mission Street in the 7300 Block, to-wit, between Vale and Market Streets; and the north side of San Pedro Avenue from Mission Street to Allemany Street.

Section 2. This ordinance is hereby declared to be urgent and necessary for the immediate preservation of the public health and safety and shall take effect and be in force forthwith from and after its final passage and approval. The following is a statement of such urgency: That there is no ordinance of said City adequately dealing with the subject matter hereof and said ordinance is immediately required in order to preserve the public safety.

This ordinance shall be published once in the Daly City Record and shall be and become effective immediately upon its adoption by the City Council.

Introduced this 28 day of April, 1947.

Passed and adopted as an ordinance of the City of Daly City the 12 day of May, 1947, by the following vote:

AYES, Councilmen: Dennis, Gaggro, McHugh, Battye.

NOES, Councilmen: None.

ABSENT, Councilmen: Craig.

MELFORD D. BATTYE
Mayor of the City of Daly City

News Notes From Old Glory Post 2044 V. F. W.

by Post Correspondent

On last Friday, Old Glory Post No. 2044, Veterans of Foreign Wars, held its first meeting under the newly elected officers for the coming year.

Four recruits were initiated into the ranks during the evening giving the membership drive a good start. The new members were Elio Ciardella, Armando Chelone, Tom Holley and Pete Conci, the local hot shot bowler.

Comrade Panella, junior vice-commander, was absent on an urgent personal matter at a San Francisco hospital as reported elsewhere in this issue.

Chaplain Bill Sweeney jr., picnic committee member stated that all the preliminary arrangements had been made for the second annual picnic at Flood Park on June 15 and reported a wonderful response

to the invitations. All persons are welcome to join the Veterans in this affair. A committee was appointed to report on the future sponsorship of various athletic teams such as basketball, baseball, football, track, bowling, and also a rifle and pistol team. The bowling team has just finished its league play and will reform to enter into a summer league within the next few meetings.

A social night committee was also appointed to bring in suggestions as to a night club social during the month following the picnic and they will report at the next meeting. Commander Smith reported on the Veterans Memorial Building meeting that was held with the City Council and stated that the preliminary plans and specifications are under way with City Architect William A. Rowe of Hillsborough acting in behalf of both parties.

The building site is on Mission street between Vista Grande avenue and Alp street and will be of Class A concrete two story construction with two large meeting rooms, social room and dance hall and reading and recreation room

for all the veterans and their guests.

The approximate cost of the completed building will be \$125,000 and is so situated as to conform with the proposed future Civic Auditorium on the Alp avenue or south end of the property.

All members are requested to attend the next meeting on the 23rd of this month to turn in their tickets on the Santa Cruz Post Promotion Home.

May 23rd also starts the Poppy Drive under Senior Vice - Commander Viele. Comrade Viele requests that everyone do his part in this worthy drive and put our quota over the top the first week end.

Comrade Stengel, chairman of the delinquent membership committee reports excellent progress and asks that the members who have not as yet paid their 1947 dues drop in at the meeting next Friday night at Little Italy Hall for a pleasant evening, refreshments, and to renew acquaintances with the gang.

New Arrivals - - -

Golf Pro And Wife Injured

As the result of their automobile crashing into a truck shortly after midnight last Friday, Charles E. (Bud) Finger, 29, golf professional at Lake Merced Country Club, and his wife Barbara, received minor injuries. The accident occurred on Boneyard Hill, Bayshore Highway, Brisbane. The Fingers make their home at 34 Dartmouth road, San Mateo.

According to investigating officers, Felix Vasquez, 40, of Sacramento, driver of the truck, escaped without injury.

27, a son.

To the wife of Wendell J. Groves, 3178 Alemany boulevard, May 4, a daughter.

To the wife of Dennis E. Leger, 398 Vista Grande avenue, a daughter.

To the wife of Angelo J. Moresco, 328 Railroad avenue, Colma, May 4, a daughter.

No more of this!

You can't hear what Henry is saying under the bed but you can be sure he is a "hot sales prospect" for Adequate Wiring. With Adequate Wiring there are plenty of outlets properly placed to eliminate inconvenient outlets in hard-to-get-at places.

A home with Adequate Wiring has plug-in outlets closely spaced and conveniently placed; it has enough circuits with wire large enough to carry full electric power to each appliance and lamp. Best of all, there will be no need for a tangle of cords hanging from an "octopus plug" when you want to use an extra lamp, clock, radio or small electrical gadgets. Insist on Adequate Wiring when you build or remodel. Write or come to any P. G. and E. office for your free copy of the 16-page booklet, "Electricity in Your Home Plans." It is full of pictures and ideas.

P. G. and E.

PACIFIC GAS AND ELECTRIC COMPANY

WHAT MAKES TELEPHONE JOBS GOOD JOBS?

We believe telephone jobs are good jobs. But we'd like to tell you something about working conditions in the Telephone Company so you may decide for yourself. Good jobs are made up of a number of things . . . for example . . .

● Is the work steady?

Telephone pay checks come regularly — month in and month out. That's mighty important to wage earners who can plan ahead and have reasonable assurance of steady telephone work all through the year, and year after year.

● Are extra payments made for Sundays worked?

Yes. Time and a half is paid for Sunday work.

● Are extra payments made for holidays worked?

Yes. Double time is paid for specified holidays worked. Full pay (with a few exceptions) is received by those who do not work these holidays. The holidays are New Year's Day, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Admission Day, Thanksgiving and Christmas.

● Are there paid vacations?

Certainly. After a year's service, employees get one week with pay . . . two weeks after two years on the job . . . three weeks after fifteen years.

● Are there sickness benefits, death benefits and pensions?

Yes, since 1913 and provided at no cost to the employee.

SICKNESS BENEFITS range from four weeks at full pay plus nine weeks at half pay for an employee with two years' service on up to a year at full pay for those with 25 years' service. The spectre of illness doesn't worry the telephone family quite as much as it would without this plan.

DEATH BENEFITS to dependents range from four months' pay for an employee with two years' service on up to a full year's pay for an employee of ten years or more.

PENSIONS — a funded plan paid for wholly by the company. Money accumulated over the past twenty years is held by the Bankers Trust Company as Trustee. This money can be used for employees' pensions only. Each employee's pension is based on his rate of pay and length of service.

● Are cafeterias provided?

Employee cafeterias, in larger offices, serving quality food at low prices . . . attractive lounge rooms . . . good surroundings . . . are just a few of the things that make telephone work pleasant.

More than 16,000 people here on the Coast have liked their telephone jobs well enough to spend more than 15 years with the company.

These things coupled with a policy of paying wages that compare with those paid for jobs requiring similar skill and training in this territory have made it possible to attract good people to these good jobs.

The Pacific Telephone and Telegraph Company

Teachers Assn. Celebrate Second Anniversary

The Classroom Teachers' association, an organization of the elementary teachers of the Jefferson School district, celebrated its second anniversary at a dinner held at the Bellevue hotel, San Francisco, Tuesday evening, May 13 at seven o'clock.

Miss Marie H. Traynor, principal of Jefferson Elementary school, was chairman of the affair. The new officers for the association are Mrs. Alice Walsh, president; Miss Hester Blaylock, vice president; Mrs. Rose N. Corral, secretary-treasurer. Mrs. Ethel B. Hahn is the outgoing president.

The following chairmen have been very active this year, Miss Marjorie H. Tobias, salary committee; Miss Maxima Morris, publicity and public relations; Miss Mae Varni, professional.

Miss Henrietta Engel is chairman of the social committee for the farewell tea given at the end of the school term for the teachers who are leaving the Jefferson School district.

George Augustien Seeks Re-election As School Trustee

George R. Augustien a resident of Daly City since 1914 and a school trustee of the elementary schools for 24 years, is a candidate to succeed himself in the school election to be held Friday, May 16.

Immediately after locating in Daly City, Augustien joined the Daly City Fire Department. He was one of the pioneer workers in the development of the department and held the office of Fire Commissioner for 18 years.

As a school trustee Augustien was a prime mover in the program to provide new and better school buildings. This resulted in four new school buildings, the Jefferson, Woodrow Wilson Primary and Crocker and the Administration buildings. He is now actively engaged in formulating plans for new buildings to take care of the increased enrollment in the district. His experience in past building programs is an asset to the district. He has always insisted that the taxpayer get full value for his dollars.

Augustien has two daughters and a son who are graduates of the elementary schools. His son Charles served five years in the U. S. Navy during the war.

The problems of the school district are constantly increasing and need experience and background. Augustien is admirably qualified to render such service and to protect the interests of the children and taxpayers.

Star Brighter than Sun

Canopus, the second brightest fixed star in the heavens, emits more than 2,500 times as much light as the sun.

Burglars Frightened Away By Neighbors

Pete Castanzo reported to Daly City police that about 10:30 p. m., Monday, burglars attempted to gain entry to the County Line Cabinet Shop at 5982 Mission street by breaking a side window of the building. They were frightened off by neighbors living upstairs next to the establishment.

Two men were seen making their getaway in a dark sedan according to the report made to police.

New Books At The Library

Speaking on the profound subject of philosophy, particularly the writings of the old masters, such as Spinoza, Schopenhauer, Spencer, Nietzsche, Darwin, Descartes, Plato, Socrates, et al, student patrons of the John Daly Library rarely request books by these authors, "unless compelled by school authorities to include them in their reading," according to Mrs. Jean O'Rourke, librarian.

Mrs. O'Rourke pointed out that the usual run of students prefer the writing of more modern day philosophers.

Some new books in the non-fiction class recently acquired by the library include "The Big Bonanza" by Dan De Quille, "California Lure" by Evelyn Neuenberg, and "May San Francisco" by Gertrude Atherton.

New fiction received by the library include "The Black Rose" by Thomas R. Costain, "There Was a Time" by Taylor Caldwell and another new book by the famous authoress, Pearl S. Buck.

Books along purely sociological lines which might prove of pertinent value to parents include "How Shall I Tell My Child" by Belle S. Moody, M.D., "Being Born" by Frances Bruce Strain, "When You Marry" by Evelyn M. Duvall, secretary of the National Conference on Family Relations in conjunction with Reuben Hill, Associate Professor of Sociology, Iowa State College; "Growing Up" by Karl DeSchweinitz, and "The Happy Family" by John Levy, M.D., and Ruth Monroe, Ph.D.

17th Dist C.C.P.T. Install Officers

The Seventeenth District, California Congress of Parent Teachers, held their annual installation of officers at noon today with Mrs. J. J. Garland of Menlo Park, past state and past district president, acting as installation officer. The meeting was held in Belmont.

A musical program which was a feature of the luncheon, was in charge of Mrs. F. T. Peterson of San Mateo. The district executive board of the organization held its monthly meeting at the Burlingame High school at 10 a. m., Monday.

Cooking Fish

Cook fish gently and cook only until tender in order to preserve delicate flavor. Test with a toothpick.

Holy Name Society To Sponsor Picnic Sunday, June 8

The Holy Name Society of Our Lady of Perpetual Help parish will sponsor a family basket picnic to be held Sunday, June 8, at Oak Grove Park, San Mateo, it has been announced. All members of the parish are invited to attend. Admission is free.

Dancing, with games and races for both children and adults, will feature the day's festivities. The Mother's Club of the parish will serve refreshments.

The committee which is headed by Father Stewart is composed of George Lombard, Sid Watt, Bob Collins, Ed Denning, Bob Rode, Bill Whalen, Charles Weckerle, Tom Fallon, Bob White, Tom Whalen, Charles Barber and Bob Lucier.

Judge Harris Defers Tanforan Hearing, June 30

A joint government and defense request to defer until June 30 submission of arguments to dismiss a contempt charge against eight Tanforan race track defendants and the Tanforan Company, was granted Monday by Federal Judge George B. Harris.

William E. Licking, assistant U. S. attorney and the defendants' counsel requested that arguments to dismiss the contempt charge be put off until after four of the defendants, Standifer, Levin, Heple and Barnewitz had been tried on

NOTICE Be On Lookout For Stolen Checks

Despite the fact that merchants in San Mateo county and in the Bay Area had been warned by Daly City police to be on the alert in cashing payroll checks stolen last week in a robbery of the Dan Goodman Roofing Company at 1861 Junipero Serra boulevard, a number of the checks were cashed in San Francisco, Redwood City, and Palo Alto.

In a statement made Tuesday morning to a representative of the DALY CITY RECORD, Police Chief W. W. Sunderland said that merchants had been warned to notify police if any attempt had been made to cash the stolen checks.

Millbrae Votes To Elect Trustee

A petition sent voters by a group of Millbrae citizens last week urged the re-election of Frank Oehm as a Millbrae elementary school trustee in the May 16 election. He is being opposed by Quincy Bradshaw of Lomita Park.

The petition sets forth that "the voters of the district have recently entrusted to the school board the expenditure of \$250,000 of our money for new school buildings to take care of the enlarged school population."

June 9 on charges of conspiracy to violate the War Powers Act. The four men have pleaded not guilty.

The conspiracy trial will be heard by a Federal jury in the court of Judge Dal Lemmon, visiting jurist.

D. C. Merchants Take Opponents By 15 to 6 Score

The Daly City Merchants had a "Roman holiday" with the lads of Corbett's Corner out at Marchbanks Park Sunday afternoon when the local boys soundly trounced their opponents to the tune of 15-6.

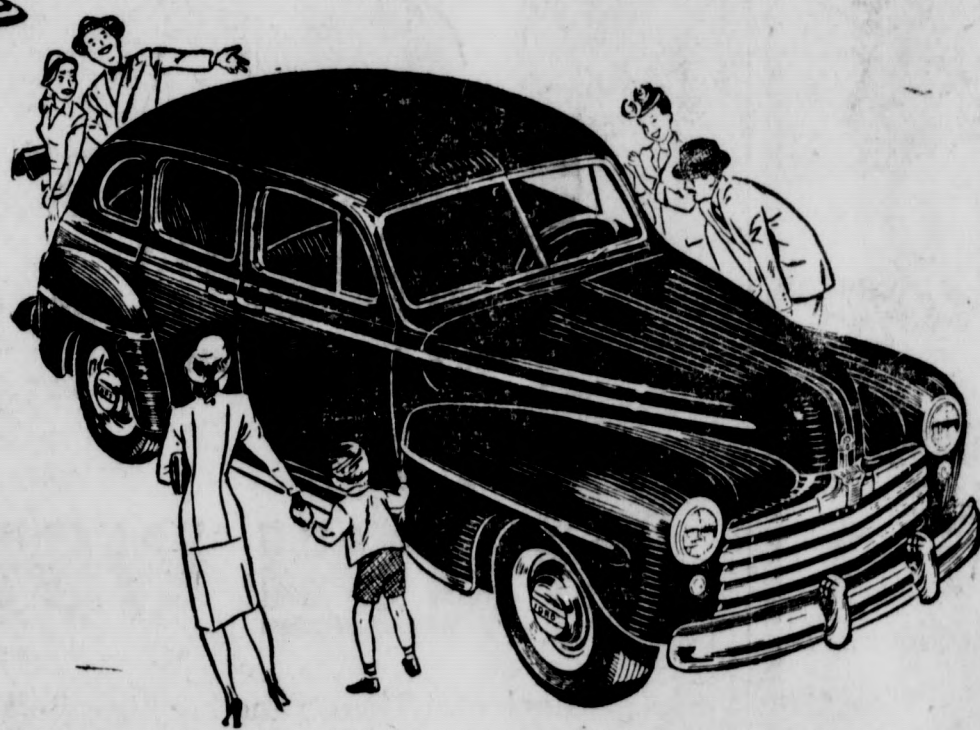

Every member of the local team scored a hit and according to some spectators, the Daly City lads were "knocking their rivals all over the ball field." This Sunday, the victors will engage the Molkenbuhl Brothers' nine at Marchbanks Park.

The box score follows:

You're Invited To
Our "Open House"
Featuring Today's
Finer FORD

The welcome mat is out . . . we've spruced up our showroom . . . we're having an "Open House" now for you and all our friends.

The reason is a good one. Today's Ford has some new features we're certain you'll want to see!

For one, a choice of bright new colors.

For another, a newly styled instrument panel.

And new front-end appearance . . . new beauty inside and out . . . a longer, lower look!

Of course, you know already that Ford gives you the only power-choice in the low-priced field . . . famed Ford V-8 or brilliant Ford Six . . .

And you've heard about Ford's "Life-guard" body and "King-size" brakes . . . and all the other reasons why "Ford's Out Front."

So accept this invitation as soon as you can. Come to our "Open House." Bring your family. You'll all enjoy it, we're sure. And we'll enjoy meeting you and showing you why "Ford's Out Front."

P.S. Till the Ford in your future arrives, bring the Ford in your present "back home" to us for Genuine Ford Service!

Council Approves Re-zoning Of Lots: To Meet Monday

In an exceptionally short session, the Daly City Council met at City Hall Monday evening and discussed routine matters of general interest.

A resolution was passed approving the re-zoning for commercial purposes of lots 4 in block 4 in the Crocker tract, and lots 18, 19, and 20 in block 38 in Jefferson Park sub-division.

Council decided to hold a meeting next Monday evening for the purpose of discussing the appointment of a new member to the police force. Condemnation proceedings on a house at 23 Como street owned by Mrs. Katie Scramaglia will be held at the next regular meeting.

A request from the Lombardi Oil station at Theta and Mission streets for permission to erect a parking lot on Mission street opposite Rice street was referred to the building inspector and to the chief of the Fire Department for consideration.

Application of Gus Anderson, August Seiler, and John Griffiths, operators of the Royal Cab Company, for permission to operate two more cabs, was referred to the chief of police.

A letter from the secretary of the American Cancer Society expressing appreciation for the city's contribution of \$50 to be used in the society's drive against cancer was read.

Charles Michaels Leaves Estate Valued At \$1,978,720

According to an appraisement filed Monday in San Mateo Superior Court, Charles F. Michaels, board chairman of McKesson and Robbins, left an estate worth \$1,978,720.

Two thirds of the estate went to his widow, Mrs. Kathryn T. Michaels of Atherton. The remainder, with the exception of several small bequests, went to his children, Mrs. Blake Darling of Atherton, and Henry and Allen Michaels.

Mothers Receive Homage Sunday

Kipling's immortal, "Mother O' Mine" proved to be the theme song last Sunday when thousands of San Mateo county mothers both young and old, received homage on Mother's Day.

Sons and daughters in thousands of San Mateo county homes, in hotels and in restaurants, held family reunions for mothers who, Sunday, came into their own. Mothers were the recipients of corsages, gifts, telephone calls, telegrams and various other forms of felicitation.

Scores of sons and daughters visited the graves of their departed mothers to place flowers in fond memories of bygone days.

Legion Auxiliary Make Preparations For "Poppy Day"

"Help and hope is the meaning of the memorial poppy to those who are paying the human cost of our world war victories," Mrs. Julia Jordan, rehabilitation chairman of Daly City unit of the American Legion Auxiliary, stated today as the Auxiliary continued preparations for the annual observance of Poppy Day, May 24.

"All the money contributed by those who wear poppies in memory of the war dead goes to aid the wars' living victims, the disabled veterans, their families and the families of the dead," she explained. "The dimes, quarters and dollars dropped into the contribution boxes of the volunteer poppy workers are the principal source of support for the continuous rehabilitation and child welfare work of the Auxiliary."

"The Government does much for the disabled but the Government cannot do everything. There are many veterans and veterans' families which do not come within the legal provisions for compensation. There are many others whose compensation is too meager to meet their needs. There are many fields of service into which official agencies cannot reach and there the Auxiliary goes with aid made possible by the poppy contributions."

"These are our disabled veterans

Joanne Castagnetto Is Christened

The recent christening of Joanne Esther, daughter of Mr. and Mrs. John Castagnetto, of Colma, was held at Sts. Peter and Pauls church in San Francisco.

Godparents for little Joanne are Mr. and Mrs. Edward Castagnetto of San Francisco.

Following the ceremony friends and relatives gathered at the Castagnetto home to celebrate the occasion. Those present were Mr. and Mrs. L. Ottonello, Mr. and Mrs. Edward Castagnetto, Mrs. A. Pastarino, Anna Castagnetto, Lois Castagnetto, Anna E. Booe, Gene Ottonello, Babe Ottonello, Edward Castagnetto, John Castagnetto jr., and A. Camillo.

Keeping Bread

Keeping bread in the refrigerator will hold off the growth of molds. Wrap it in moisture-proof paper or put in a covered container.

Fifty-four Face Judge Sweeney, Pay \$448 In Fines

Judge William J. Sweeney last Friday meted out fines totaling \$448 to fifty-four motorists arraigned before him on various traffic violations.

Gerald E. Butler, 24, of San Francisco occupied the spotlight in the court proceedings when he was fined \$100 on a charge of driving while under the influence of liquor, and \$25 on a charge of reckless driving. He entered a plea of guilty to these charges. Two additional charges, that of having no headlights and with having no muffler were dismissed.

Butler, who was driving a motorcycle, was arrested by Daly City police Saturday, May 3, following a wild one-mile chase on Mission street. He was said to have a gallon of wine strapped to his person.

Non-operating railroad unions are
demanding still another raise of

\$568,000,000.00
a year

MR. & MRS. CONSUMER

MR. SHIPPER & MR. FARMER

MR. & MRS. PASSENGER

You would foot the bill!

Look out! There's another big railroad wage demand headed your way!

The non-operating unions alone—whose members do not actually operate trains—are demanding a flat increase of 20 cents an hour. These demands would cost the railroads of the country five hundred sixty-eight million dollars a year!

Last year these employees had an increase of 18½ cents an hour. This was their third major wage increase since 1939. Their average weekly pay has gone up 75%, as against a cost-of-living rise of 54%.

Since 1939, railroad wage and material costs have gone up more than three times as much as freight rates, and five times as much as passenger fares. That is why in

1946, with the largest peacetime traffic in history, the net income of railroads went down to the equivalent of only 24% of the net property investment.

What About 1947?

Even with the recent freight rate increase, preliminary figures indicate that the railroads will make only about the same low return in 1947 as in 1946. This will be because:

—the wage increase made in 1946 will be in effect for all of 1947;

—special payroll taxes on railroads have recently been increased;

—and passenger traffic has declined

Where Would the Money Come From?

We can't pay out what we don't take in. And we are not taking in enough now to meet present costs and to complete the improvements in service that you need and that we want to give you.

You Would Foot the Bill!

San Mateo Jaysee Plans To Observe 25th Anniversary

The 25th anniversary of the opening of San Mateo Junior College will be observed next week with a program extending from May 19 through May 24.

The entire public is invited to the open house program Tuesday evening, May 20, when both campuses will be on display. Art work, flower arrangements, millinery, movies of past years, scientific demonstrations, radio, and many types of shop work are only a few of the many exhibits to be seen.

Wednesday evening, May 21, the college music department will offer a concert featuring its band, choruses, and a capella choir.

Thursday evening will find many of the friends of the college en-

joying an anniversary dinner at the Hotel Benjamin Franklin.

Friday evening the alumni are to be guests at a special presentation of the term play, Thornton Wilder's "Our Town," with a reception following.

Saturday evening, May 24, the alumni banquet will be held at the Hotel Benjamin Franklin, with the former students having a chance to meet again and to see their former instructors. A student body dance that night, will also be open to the alumni.

A community Junior College, San Mateo has many of its former 16,000 students located right on the Peninsula. Many of them came from the Daly City area and helped

Still Good Practice

Dropping the crankcase at least once a year and having all sludge removed from the bottom and all dirt from the pump strainer still is a good idea in maintenance, according to National Automobile Club. While the case is down, it will pay to have the mechanic inspect the main and connecting rods for looseness.

build up its reputation in scholarship, sports, drama, and many allied lines. The college hopes that many of its former students from the Daly City area will help observe the 25th anniversary.

Golden Gate

Bridge Anniversary

Celebration of the Tenth Anniversary of the opening of the Golden Gate Bridge is to be held May 27 in San Francisco. This celebration honoring the opening of the world's longest suspension bridge is being sponsored by Directors of Golden Gate Bridge and Highway District, with the cooperation of Redwood Empire Association.

High Sierra Trails

High Sierra trails are being put into first-rate condition for this summer's tourists, reports National Automobile Club. Five-men trail crews are working under the district rangers to clear, even, and widen trails. This winter's light snowfall should make it possible to reach high mountain points earlier than usual, and practically all passes should be open before the end of June.

Open House Is Announced For Naval Reserve

Celebrations and programs to be held throughout the country will inaugurate Naval Reserve Week which will begin Sunday.

"Open House" is being held, during this week, at all Naval Reserve activities so that the public may observe the training, equipment and facilities used in the Reserve Program. Reserve armories, Naval Reserve Air Stations, and ships, assigned to the Reserve program, will be open for public inspection.

As a result of the recent war, there is a large number of ships, laid up and in such a state of preservation that they could be put into operation in a very short time. In any future emergency Uncle Sam hopes to have the men already trained and so organized as to insure almost instantaneous manning of the mothball fleet! Since economic feasibility and incompatibility with a democratic form of gov-

ernment make a large standing military force impracticable, the only answer is an adequate Reserve Force.

Former members of the Navy, the Coast Guard, and the Reserve components of these services may enlist with the rating which they held at discharge, age limits, for men in this category, are from 17 to 64. Former members of the Army, Marine Corps and National Guard may enlist at various grades determined by their former ranks and SSN or MOS numbers. Age limits are from 17 to 40, except that the upper limit for ex-marines is 64. Ex-members of the armed forces, discharged subsequent to December 8, 1941, are not required to take a physical examination.

Non-veterans are acceptable between the ages of 17 and 40. They must, of course, meet with the mental, moral and physical requirements.

The public is invited, in fact urged, to visit the Naval Reserve activities at Treasure Island, Hunters Point and the Oakland Airport during Naval Reserve Week.

HEALTH WEEK GETS UNDER WAY NEXT MONDAY

San Francisco's Voluntary Health Insurance Week gets under way next Monday night when some 400 business, civic and professional representatives will attend an inaugural dinner meeting at the Palace Hotel.

Dr. Anthony B. Diepenbrock, president of the County Medical Society, and Dr. Robertson Ward, Society secretary, have announced the appointment of a 40-man steering committee of leading physicians to assure the full cooperation of the profession in furthering the success of Health Week, May 19-24.

Garret McEnerney II, prominent S.F. attorney, will preside at the dinner under the auspices of the Medical Society and the California Committee for Voluntary Health Insurance.

The latter group represents the medical profession, the insurance companies, pharmaceutical organ-

izations, hospitals and other businesses on a statewide basis.

Principal speaker will be Dr. John W. Cline, newly-elected president of the California Medical Association. Other speakers include George W. Kemper, manager of the Accident and Health Department of Fireman's Fund Indemnity Company; Leon Happell, past State Commander of the American Legion, and Ned Burman, member of the California Committee.

The Health Week observance is aimed at "familiarizing the public with the benefits and protection afforded by voluntarily chosen health insurance," according to Ed Clancy, executive secretary of the California Committee.

Trout Opening Success

Trout fishermen were highly successful May 1 at Lake Pillsbury, Lake county, reports National Automobile Club. About 100 anglers out in 48 boats caught 918 trout among them. The fish averaged $\frac{3}{4}$ of a pound.

Fishing Prospects

Anglers should enjoy first-rate fishing in Deer, Poso, Peel Mill, Alder, Cedar, Lumroa Creeks and White River, in Kern county, predicts National Automobile Club. Roads in this area are in good condition since the forest service has recently finished grading them.

Trout Opening At Big Bear Lake

Nearly everyone took trout from Big Bear Lake, Lake Arrowhead, and Gregory Lake, San Bernardino county, on opening day. Anglers out on Big Bear in more than 300 boats had good luck with all sorts of bait, lures, and methods.

Regular meeting, Colma Vista Grande Aerie No. 1848, FOE, Little Italy hall, 6229a Mission street.

RECONSTRUCT MISSION SAN MIGUEL

Travelers along California's Mission Trails, El Camino Real, will step back 150 years when viewing the reconstruction work at Mission San Miguel being carried on exactly as it was when the Mission was built in 1797 A.D.

Ever noted for their zealotness, the Franciscan Friars at this old Mission are actually rebuilding parts of the Mission by their own efforts. Toiling under the California sun in the discomfort of the heavy robes, they are mixing the adobe bricks, laying the foundations, erecting the walls, roofing the buildings and manufacturing all the doors, windows, etc., in their own shop. Assisted by rough day labor, similar to the Indian neophytes who helped the founding Padres, these present day missionaries are rapidly bringing Mission San Miguel back to its former beauty.

When completed, this will not be a new building as the adobe is actually that used in the original building, the weather-deteriorated walls actually being scraped up by a bulldozer and used again in making the present bricks.

News of Local Grammar Schools

Jefferson

Offering variety as well as visual aid to the language periods this week, first graders were treated to a showing of stillfilms, which included such favorites as Robinson Crusoe and Old Mother Hubbard. The children's familiarity with the stories makes them an unfailling topic for stimulating conversation. During the language period which followed, competition was keen for chances to tell the stories or enact some of the parts.

Fourth and fifth graders at the Jefferson Annex are busy constructing scenes that relate to life in pioneer days. Having read and studied and discussed the "Westward Movement," their mural-in-the-making shows the result of their research. From Covered Wagon days to the period of the Gold Rush, scenes are depicted which are meaningful to them.

Preceding Mother's Day, seventh graders spent some of their language periods in preparing themselves for the day. Each member of the class made a booklet, containing the story of the origin of Mother's Day, poems and a composition on the meaning of the day. In addition, the class studied the life of James McNeill Whistler and his famous painting, "My Mother," which is now in the Louvre in Paris.

Crocker

Crocker school student body and teachers are justly proud of their students. In a recently sponsored American Legion Auxiliary contest, Magdalena Merino, a H8 student, won 3rd place in San Mateo county, after having received first prize in the Jefferson School District. This means her poster will be entered in the State finals.

An essay contest also sponsored by the American Legion Auxiliary brought more honors to Crocker. Peggy Joy Lee, a H6 student, won first place in the county in her essay "The Security and Freedom of America," while David Martinez, also a H6 student, won second place.

In the seventh and eighth grade division of the essay contest, "America's Contribution for a Permanent Peace," honorable mention and citations were awarded to Magdalena Merino and Dolores Lobsien, H8, and Mary Alice Coverdale, H7.

Noreen Lack and Dianne Hale went to Oakland over the week end. Evelyn Madriago visited in Saratoga. Craig Coffee went to Oakland.

Mary Alice Coverdale, Jimmy Albera, and Barbara Dale attended the Sport show.

We are sorry that Robert Gallagher moved away. He will attend school in San Jose.

The following 7th grade people had perfect attendance during the eighth month of school: Phyllis Blackburn, Carol Clarke, Ronald Dickson, James Dowell, Jean Eliason, Mary Lou Ligouri, Florence Matteoda, Robert Montgomery, Leonard Mullen, Gertrude Runge, Lanny Adami, Merrilee Faulk, Richard Faulk, Richard Hansen, Audrey King, Dixiene Schultheis, Helen Thompson, Robert Welnick, Arlan Wight, Jean Zanobini.

The students of the high sixth grade were very pleased to hear of the great honor brought to their class by two of its members.

Peggy Joy Lee was awarded first prize on her grade level for the entire county in the recent American Legion essay contest.

David Martinez also was awarded second prize for his composition on "The Freedom and Security of America."

Donald Jennings is absent on account of illness today.

Lois Sadler saw the May Pole dance in Golden Gate Park last Saturday.

The sixth grade students are working on fractions in their arithmetic period.

City And County On Lookout For Gangster Element

Following an announcement by District Attorney Gilbert D. Ferrell who declared that he had received no evidence that eastern gangsters are making their headquarters in San Mateo county, Daly City Police Chief W. W. Sunderland in a statement issued Tuesday, said that he had instructed members of his department to keep a sharp lookout for suspicious characters who might use Daly City auto courts as possible hideaways.

Both the statement of Ferrell and Police Chief Sunderland came on the heels of the slaying of Nicholas (Nick) DeJohn former Chicago hoodlum and alleged "collector" for the notorious "Mafia" Italian "Black Hand" society whose body was found stuffed in the trunk of his automobile in San Francisco last week.

Funeral Services For R. E. Byrne Held Tuesday

Funeral services for Robert E. Byrne, 39 San Pedro avenue, who died Sunday at the Hahnemann Hospital in San Francisco following a lingering illness, were held Tuesday at 9 a. m. A requiem high mass was held at the Church of Our Lady of Perpetual Help. Officiating were the Rev. Thomas C. Byrne of Vallejo, a cousin, Rev. Father James Bergen, pastor, and the Rev. Father Stuart. Burial was in Holy Cross Cemetery.

He is survived by his wife, Elinor Byrne, eight sons, Robert E., jr., James, Thomas, George, William, John, Edward, and Joseph; six daughters, Helen and Lorraine Byrne, Mrs. Margaret Hoerner, Mrs. Frances O'Brien, Mrs. Catherine Tabor, and Mrs. Aileen Blanton.

Byrne was a member of the Knights of Columbus, San Mateo Council 1346; Society of St. Vincent de Paul and the Holy Name Society of Our Lady of Perpetual Help.

He was a native of San Francisco, and came to Daly City 17 years ago.

Room 2 — Margaret Robertson spent Sunday at Big Basin.

Room 3—Kenneth McDonald has a new baby brother. Larry Kofziger is planning to go to summer camp when school is out. Bill Christie went to Oakland last Sunday to see some interesting contests of log rolling and racing.

Room 5—Marianne Costello, H7, went to Butte Meadows over the week end. The seventh grade pupils were glad to have their mothers visit school and see the exhibit.

Room 6—The pupils of the H7 and L8 completed their booklets on the unit "Conservation" in time for the exhibit. Raquel Rocha went to Santa Cruz over the week end, Dallyne Brown attended the Sports show, and Barbara Dale returned from Los Angeles by train.

Woodrow Wilson

The L5 and H4 made Safety Posters last week during art period. Along with this a discussion was held concerning safe methods of taking care of one's self in traffic.

There are six students in the L7 and H6 class who have not been absent for three months of this semester. These students are Louise Banfield, Sharon Doolen, Gerald Eling, Dolores Norris, Lonald Pike, and Andrew Vranich.

The sixth grade boys and girls are studying "Farming in Eastern United States." They were very interested in finding about "Farming in the Sea."

The boys and girls of the fifth grade are studying the topic "How the Colonists Traveled." Overland travel, river travel and methods of traveling are being discussed and evaluated.

The H3 and L4 grades are beginning a new unit of work for the last period of the year. They will be reading about early man now.

The H4 and L4 grades are now studying "Mexico Loses California to the Yankees."

The high third grade is now studying the different types of clothes worn in the four heat zones of the world.

Woodrow P. T. A. Hear Highlights State Convention

Highlights of the state convention of the Parent Teachers' Association held at Long Beach from April 30 to May 3 inclusive, were given by Mrs. Marie Miller, president-elect of Woodrow Wilson P.T.A. to the executive board of the unit which met Tuesday at the home of Mrs. Lena Banfield, 355 Woodrow street at 12:30 p. m.

Mrs. Miller said that it was discussed at the convention that Cali-

Legion Commander Asks Support Of "Poppy Day"

An appeal to all veterans of both world wars to honor their fallen comrades by wearing a poppy on Poppy Day next Saturday was issued by Henry Prziborowski, Commander of Daly City Post of The American Legion.

Commander Prziborowski also asked that generous contributions be made for the welfare of disabled veterans, their families and the dependents of deceased veterans on Poppy Day. In his appeal he said:

"Let us all show by wearing a poppy that we have not forgotten those comrades of ours whom we left behind on the battle fields in so many parts of the world. We can never forget them, of course, but others who were not so close to them may forget how they gave their lives in the nation's service. We should set a glowing example of remembrance by putting on a poppy the first thing on Poppy Day."

"We should remember, too, those other comrades who did not die but are still fighting a grim battle against wounds and illness in the veterans hospitals. They made the poppies. The contributions we make for the memorial flowers are for them, their families and the families of the dead. Many of us do not have much to give, yet I am sure that veterans will set an example of generosity for all other citizens."

Memorial poppies, made by disabled veterans at Palo Alto hospital will be distributed throughout the city on Saturday by volunteer workers from Daly City Unit of the American Legion Auxiliary.

Joan Satterwhite And James Dodson Exchange Vows

Wedding vows were exchanged by Miss Joan M. Satterwhite, of 719 Washington street, Colma, and James O. Dodson, of Primeville, Oregon at a 1:30 o'clock ceremony performed before the flower-decked altar of Holy Angels church. Officiating at the double ring ceremony was Father James McElligott.

Joan is the daughter of Mrs. Morris C. Williams, of 719 Washington street, and Major A. V. Satterwhite now stationed at Bad Kissingen, Germany. A lovely white satin gown fashioned with a train and a finger-tip length veil of illusion held in place with a crown of orange blossoms made up her ensemble. She carried a prayer book covered with white orchids with long white satin streamers trimmed with white bouvardia.

Matron of honor duties were performed by Mrs. Jack A. Sikes, of Davis, California. She donned an aqua crepe gown with a picture hat of aqua hair braid. A muff of pink assorted flowers made up her bouquet.

Flower girl was the bride's sister Anne who wore a shell pink old-fashioned dress and carried a basket of pink roses.

Bestman for the occasion was Vincent Simi of San Francisco.

John R. Berry, cousin, gave the bride in marriage. Ushers were Wesley Foster and Jack Sikes.

A reception for 50 guests followed at the Williams' home.

Joan is a graduate of the Dominican Convent, New Orleans, Louisiana and Louisiana Southwestern Institute College of Engineering, Lafayette, Louisiana.

The groom, son of Mr. and Mrs. J. F. Dodson of Primeville, Oregon, is a student of Oregon State College at Corvallis, Oregon. The couple are honeymooning at Crater Lake, Oregon.

fornia has the highest P.T.A. membership in the United States with a total membership of 608,754. She said that the national membership has now reached an all-time high with 4,486,855 members.

Members of the executive board decided to hold the installation of officers at the Starway Cafe, Wednesday, May 21, at 7 p. m., at a dinner with Mrs. Edward Styskal, first vice-president of the Seventeenth District, as installation officer. All reservations for this dinner, it was pointed out, must be made with Mrs. Miller at her home, 170 Woodrow street not later than Saturday, May 17.

A committee to handle the graduation party was selected with Mrs. Gretchen Olson as chairman, assisted by Mrs. Freida Cady, Mrs. Catherine Duffy, and Mrs. Hilda Heagney.

A special executive board meeting will be held at the home of Mrs. Cady, 741 Niantic avenue at 12:30 p. m., June 10. This meeting will be held for both old and new officers of the organization.

S. F. Supervisors Approve \$55,000 Filtration Plant

The San Francisco Board of Supervisors Monday gave their approval for a \$55,000 appropriation to be used for the purpose of purchasing a site for a filtration plant at the Crystal Springs lakes in San Mateo county.

PLEASE!!

We need a home badly! Myself, wife and 4½-year-old daughter. Will give excellent care to your property. Permanently employed at The Daly City Record. Can't someone rent us a house? Phone RAndolph 3215 days OVerland 7183 evenings ASK FOR DICK WALSH

WIDOWS AND ORPHANS ASSOCIATION

OF THE

DALY CITY FIRE DEPARTMENT

The Widows and Orphans Association of the Daly City Fire Department wishes to announce and to invite each of you to their

ANNUAL BALL

to be held at the

Jefferson Union High School Auditorium

SATURDAY EVENING, MAY 24, 1947

To better acquaint you with the functions of the Widows and Orphans Association may we point out the fact that the firemen now serving the community are not provided with any death benefit or insurance by the City of Daly City, however, the City does provide a policy for injury or accident at a fire.

In order to provide for the Widows and Orphans of the firemen, the Fire Department has organized the Widows and Orphans Association which in turn holds an Annual Ball to raise funds to provide each fireman with an insurance policy which pays \$1,000 upon death. Since the existence of the Association many widows and orphans have benefited.

We of the Widows and Orphans Association sincerely request your support in making our eighteenth annual ball a success.

Tickets are now on sale by all members of the Fire Department.

Sincerely yours,
M. G. HANSON

Chairman, Advertisement Committee

"Anna Lucasta" Returns To Geary Theatre May 26th

By popular demand and acclaim, "Anna Lucasta," the all-Negro comedy sensation, returns to the Geary theatre on Monday night, May 26. Five previous weeks at the Geary revealed that only a limited number of the San Francisco populace was able to glimpse the sensational stage hit which played three years in New York and a year in Chicago. Only previous booking commitments on the part of the Geary theatre deterred "Anna Lucasta" from continuing there. Hence, the return date!

The local critics heralded "Anna." Herb Caen, noted columnist, waxed ecstatic, exclaiming, "Lives up to all the raves it got elsewhere. A great show, loaded with laughs." John Hobart, of the Chronicle, endorsed the play as "sure-fire entertainment."

Many Trout Limits Taken

More than half of the 140 fishermen checked opening day on the Carmel River, Monterey county, had limits of trout. Hosts of anglers were fishing throughout this county during the opening week end.

Wood Soanes, of the Oakland Tribune, readily agreed that it was "one of the most enjoyable productions of the season." While Ed Nelson, of Post-Enquirer, hailed it as "a prize parcel."

Claude LeBelle beat a triumphant tattoo in behalf of "Anna Lucasta," declaring it "a show-goer's dream. Anna Lucasta professes an evening in the theatre that must not be missed."

Fred Johnson, of the Call-Bulletin, embraced "Anna" with such adjectives as "lusty, humorous and vividly dramatic."

Same cast will be on view at the Geary theatre that was first seen here several months ago.

Performances will be given nightly, including Sunday, with matinees scheduled for Saturdays at 2:30 p. m., and a special Friday matinee, May 30.

Searching For Oldest Chevrolet

A nationwide search to find the oldest Chevrolet truck still in active service in the United States was announced recently by J. W. Burke, manager, commercial and truck department, Chevrolet Motor Division, General Motors Corporation. Owner of the oldest vehicle will be presented with a new truck from the "Advance-Design" line of trucks which will be introduced by Chevrolet in the near future.

"We expect old truck entries from every section of the country," said Burke, "and may find the vehicle in farm service or doing a hauling job on a city street. Owners are urged to enter their oldest truck as it may be the winning vehicle."

Rules of the contest provide that the truck must carry 1947 license plates, and be driven to a Chevrolet dealership for official registration.

Car And Truck Sales

New passenger car and motor truck factory sales were slightly greater for the first quarter of 1947 than they were for the last quarter of 1946, declares National Automobile Club. The first quarter total was 1,144,526 as compared with 1,138,602 in the last quarter of 1946.

Polish Car Regularly

Polish the car periodically to avoid traffic film, that discolored surface that convinces the motorist that the car finish is gone. It is a combination of oil-laden exhaust fumes and the ordinary dirt and dust that is in the atmosphere. Polishing is a sure preventive.

Age of the trucks will be determined by the serial number of the vehicle. The search began May 10 and concludes June 15.

Bring in Lumber
About 2 per cent of Illinois' lumber needs come from within the state.

Get B. F. Goodrich Silvertowns that OUTWEAR PREWAR TIRES

The new B. F. Goodrich tire has a wider, flatter tread that puts more rubber where it counts . . . on the road. More rubber there means more to share the wear . . . less wear at any one point . . . better mileage . . . greater safety all the way.

More rubber also means more grip . . . more safety from skidding . . . better stopping.

This huskier tread is held by a

sturdier cord body made with stronger cords and more of them to give more protection against blowouts and greater resistance to road shock.

It all adds up to better service longer. That's why the new Silvertown is best in the long run. You pay only regular prices for the extra value features of the new B. F. Goodrich Silvertown that costs you less per mile.

Veterans Warned To Be Careful When Purchasing Homes

Floyd D. Granger, Veterans Service Officer today warned veterans who are in the market for homes to insist upon an inspection for termites or other infestations before becoming obligated for the purchase of property.

Such an inspection costs little, Granger said, and may save the veteran the cost of extensive repairs after he has secured the home. In some cases, veterans who did not take this precaution have had to pay as much as \$500 for repairs.

If any infestation is shown by the inspection, the seller should be required to clear up the situation before any purchase agreement is signed.

Granger also advised veterans making a down payment on property to be purchased under federal or state veterans' financing plans to stipulate as part of the agreement that the money is to be refunded in case he is unable to complete the necessary loan.

Unless the agreement contains a notation such as "subject to GI loan" or "subject to approval for purchase by the state," it may be possible, legally, for the seller to contend that the veteran is not entitled to the refund of his deposit if the loan is not approved.

Further information regarding these subjects and other advice in connection with home or farm purchases and veterans loans may be obtained at the Veterans Service Office, located at Redwood City in the San Mateo County Courthouse daily from 9 to 5 and from 9 to 12 on Saturdays; 215 Linden avenue, South San Francisco, Tuesday from 1 to 2; City Hall, San Bruno, Tuesdays from 2 to 3; and at 30 B street in San Mateo, Wednesdays and Fridays from 10 a. m. to 3 p. m.

Crude Rubber

According to the latest estimates a surplus of crude rubber cannot be expected during 1947. Total world consumption of rubber will probably be around 1,700,000 tons. Crude rubber production is expected to be near 1,000,000 tons, which leaves a difference of 500,000 tons to be made up by synthetic rubber.

Contributions made for poppies worn in honor of the war dead are the principal source of financial support for the American Legion Auxiliary's extensive work for the welfare of the war's living victims, the disabled veterans, their families and the families of the dead.

Passing On Highway

Drivers who race with cars that are trying to pass them on the highway are endangering their own lives and the lives of others, cautions the Public Safety Department of National Automobile Club. When being passed, the wise motorist will pull further over to the right and permit the other fellow to get by.

Just Another Racket To Get Best Of Veterans

James J. Rudden, Regional Compliance Director, OHE, has issued a warning that veterans who are offered rental units built through assistance of priority authorizations issued prior to December 24, upon condition that they purchase an investment interest in the property, are being hoodwinked.

He further asserted that the practice now exists in various sections of the country, and that these cases are promptly investigated and prosecuted in Washington.

"It is a clear violation of regulations which governed the issuance of HH priorities to require a prospective tenant to purchase a property interest in the rental unit built under such priority authorization," Rudden declared. He explained that such authorizations issued by his office not only assisted the builder in obtaining scarce materials, but also gave him permission to build under the construction authorization under VHP-1 without which he could not have built. To now require a prospective tenant to buy an interest in property that was built under the HH priority system is a definite violation.

Prospective tenants who are being required to participate in such tie-in offers are urged to file complaints with their nearest OHE Compliance office (formerly CPA Compliance) or send them to the OHE Compliance Division, Washington, D. C.

Good Drivers

"Good drivers keep their cars in good mechanical condition," declares Bert Stewart Jr., of the Public Safety Department of National Automobile Club. "To avoid serious mishaps they pay particular attention to the condition of tires, brakes, and the steering wheel mechanism."

News Column For The Veterans

Veterans in school under the Servicemen's Readjustment Act (G.I. Bill) who plan to transfer to another out-of-state school at the end of this semester or intend to continue their education this summer in another school should call at the nearest Veterans Administration office to make several important adjustments in their records.

If a veteran moves to another section of the country his National Service Life Insurance records will be transferred to the VA Branch office having jurisdiction over his new place of residence.

Before the veteran moves he should inform the present VA Branch insurance office of his change of address, listing both his old and new address, policy number, service serial number, and full name.

Student-veterans who intend to continue their education this summer in a different school should apply immediately for a supplemental certificate of eligibility.

Applications should be filed with the VA well in advance of the end of the Spring semester in order to insure receipt of the certificate by the veteran before he enrolls in summer school. The application, which may be obtained on the campus, should be sent to the VA office having jurisdiction over the school the veteran is now attending.

Question: I was discharged from the U. S. Army in May, 1945. Are readjustment allowances still available to me?

Answer: Yes, readjustment allowances are available to any eligible veteran until two years after the date of his discharge or release, or until two years after the official termination of the war,

Navy Boxers To Compete In S. F. On Tuesday

Navy boxers from Alaska and northwestern states have arrived in San Francisco to compete against champions of the Twelfth Naval District in the All-Navy Boxing tournament now in progress throughout the country. Semi-finals of the tournament are scheduled for Tuesday and Friday nights at the gymnasium on Treasure Island.

Ranging in weight from flyweight to heavyweight, the seven men from Alaska, eight from the Thirteenth Naval District with headquarters in Seattle, and eight from the Twelfth Naval District, whichever is later.

Question: I am a World War II veteran and have been ill for five months. At the end of my sixth month of total disability, will I have to continue paying my National Service Life Insurance premiums or is a waiver granted automatically?

Answer: No automatic waiver of premiums is ever granted. A veteran must be disabled for six months before he may apply for a waiver of premiums. You are entitled to file a claim for refund of those premiums you paid from the date on which the waiver becomes effective.

will compete in elimination rounds at Treasure Island before going on to San Diego where contenders from all Naval districts and ships of the fleet will meet in finals June 1-7. Winners in each class Friday night will be awarded a gold wrist watch.

Officials of the California Boxing Association will act as judges.

The All-Navy boxing tournament is one of several major sports programs sponsored by the Bureau of Naval Personnel to encourage physical fitness throughout the Navy. Expenses of the sports programs are defrayed by funds derived from sales in service stores patronized by the service personnel.

10 Years ago these would have been

*Funeral
Flowers*

This man is on the Road to Recovery. He has many fine, productive years ahead of him. Ten years ago, he wouldn't have had a chance. But now

Now, we have the sulfa drugs, penicillin, streptomycin and other wonder-working drugs unknown a decade ago. We have new, improved techniques in surgery; far more effective methods of treating wounds and burns.

And there is more—much more—to come. For Science journeys an endless, ageless

course, wresting its grudging victories from the ills that beset mankind. Be alert, then, to take full advantage of the aids that are available in this advancing age. They were created to give you ease; to strengthen your body and lengthen your life.

Consult your Physician

To get well—and to keep well—is a common obligation. Consult your Physician. Heed his experienced counsel. And, we hope you will bring his prescriptions here for careful compounding by our skilled pharmacist.
